

**Trauma Education Webinar Series - NS & NB**

**Inter-Professional Clinical Trauma Webinar**

**Pre-Webinar Information:**

**DATE:** September 27, 2022

**TIME:** 1600-1700

**PRESENTER:** Dr. Peter Brindley

**TOPIC:** Practical Crisis management in Trauma: what truly matters in acute trauma care and how to respond when the feces hits the fan

**OBJECTIVE(S):**

- Review why the human factor is likely the most important factor in trauma care
- Share practical strategies for improving teamwork communication, leadership, and followership
- Build safer systems and supported practitioners...rather than just spinning the usual buzzwordy BS
