Educationally approved by Dalhousie University Continuing Professional Development and Medical Education.

## BURNS 101 FOR THE EMERGENCY DEPARTMENT

March 25<sup>th</sup>, 2025

1200-1300

**Presenter: Dr. Jack Rasmussen**

### Learning Objectives:

1. Apply ABLS principles to the initial management and stabilization of major burns
2. Recognize indications of inhalational injuries requiring intubation
3. Be proficient in examining burn patients to determine burn depth and extent of injuries
4. Develop an approach to burn wound management for outpatients

This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by Dalhousie University Continuing Professional Development and Medical Education for up to 1.0 MAINPRO+ credits per session.

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and approved by Dalhousie University Continuing Professional Development and Medical Education. You may claim a maximum of 1.0 hours (credits are automatically calculated) per session.

In keeping with CMA Guidelines, program content and selection of speakers are the responsibility of the planning committee. Support is directed toward the costs of the course and not to individual speakers through an unrestricted educational grant.
