Navigating the Storm: Optimizing Teamwork in the Trauma Bay

Presenter: Dr. Luis Da Luz

Learning Objectives:

- **Identify** the key components of the Trauma Team Leader (TTL) Program structure at Sunnybrook and their roles in trauma bay operations.
- **Analyze** the challenges and successes encountered in designing and implementing quality improvement initiatives in the trauma bay at Sunnybrook.
- **Apply** strategies from Sunnybrook's trauma bay initiatives to optimize teamwork and enhance patient care outcomes in participants' own trauma settings.

This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by Dalhousie University Continuing Professional Development and Medical Education for up to 1.0 MAINPRO+ credits per session.

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and approved by Dalhousie University Continuing Professional Development and Medical Education. You may claim a maximum of 1.0 hours (credits are automatically calculated) per session.

In keeping with CMA Guidelines, program content and selection of speakers are the responsibility of the planning committee. Support is directed toward the costs of the course and not to individual speakers through an unrestricted educational grant.
